

Sales Manager

If you have a stellar track record and a talent for coaching and mentoring others, we want leaders like you to be a part of our dynamic management team. You'll have the rewarding opportunity to bring out the best in others as you develop your own talented, high-performance sales team. We understand education, training, and development are vital to success. We offer access to programs designed to help you stay ahead throughout your career. You'll have the support of and access to tools and resources of an industry leader with over 150 years of integrity, strength, stability and operational excellence.

The Opportunity:

- Apply your management talent through a new, exciting career track
- Leverage your leadership experience in a productive, career-enhancing environment
- Increase your impact by training a team of successful sales professionals to help them reach their highest potential by helping clients attain financial independence
- Comprehensive training and excellent benefits package available

What It Takes To Succeed:

- Genuine desire and commitment to serve as a leader, coach and mentor
- Track record of successful sales management
- Problem-solving, organizational and time management skills
- Experience in financial services sales management

Our objective is to build, promote and continually innovate a diverse range of financial solutions tailored to the needs of our individual, corporate and institutional clients over the long term. We help our clients achieve success in a changing world through the accumulation and protection of wealth.
